LEADERSHIP EXPERIENCE

Emergency Medicine Residency Association

Women's Health Committee Founding Chair July 2025 – Present

- Founding Chair of EMRA's inaugural Women's Health Committee, establishing vision, mission, and operational framework.
- Recruited and led a national executive board, including Chair-Elect, Vice Chairs, and Assistant Vice Chairs, to coordinate educational and advocacy initiatives.
- Designed and implemented a yearlong calendar of programming aligned with nationally recognized women's health observances (e.g., PCOS Awareness Month, Black Maternal Health Week).
- Advocated for integration of women's health topics into emergency medicine education through newsletters, virtual events, and collaboration with EMRA committees.
- Designed a resuscitative hysterotomy simulation curriculum for presentation at the 2026 American College of Emergency Physicians (ACEP) Scientific Assembly, emphasizing high-acuity obstetric resuscitation and team-based emergency care.
- Led development of the EMRA Women's Health Pocketbook, a national bedside reference designed to improve emergency physicians' knowledge, confidence, and clinical management of women's health emergencies; publication and national distribution anticipated in 2027.
- Authored and advanced an EMRA Representative Council resolution advocating for standardized women's health education and pelvic examination training across emergency medicine residency programs nationwide.

Council of Osteopathic Student Government Presidents (COSGP)

LECOM Student Representative - COSGP General Council February 2022 – February 2023

- Represented LECOM at all meetings and forums.
- Liaised between the students of LECOM and leaders from other osteopathic medical schools.
- Served on the Wellness Committee to create national initiatives to mental health across every osteopathic school in the nation.
- Responsible for the National Nutrition Wellness "Toolbox" for COSGP which includes collecting resources for COMs across the country in order to educate the students and faculty.

TOUCH Point Coordinator – LECOM Bradenton. February 2022 – May 2023

- Verified and approved of all volunteer hours LECOM Bradenton students participated in.
- Served as a Chairperson for COSGP Student Services Committee
- Delineated policy and procedure for the national TOUCH program

LECOM Bradenton, FL

Vice President - Student Government Association February 2022 – February 2023

- Advocate for LECOM students at the school and national level to represent LECOM at COSGP meetings.
- Served as Parliamentarian for all Student Government Association meetings.
- Conducted all elections of executive board members and class representatives.
- Served as Chairperson of the Council of Presidents to oversee all LECOM organizations.

Chair – LECOM Community Service Committee, February 2022 – February 2023

- Partnered with Suncoast to organize a Blood Pressure Check Clinic/Blood Drive to educate the community on preventative and osteopathic medicine.
- Organized five donation drives for Hurricane Ian relief and raised 1,827 pounds for Food Bank of Manatee and over 1,000 pounds for Turning Points
- Organized volunteer opportunity at All Faith's Food Bank for LECOM students to participate in care package assembly.
- Coordinated and oversaw all volunteer activities LECOM Bradenton organizations participated in.

Student Ambassador -LECOM Bradenton February 2022 – February 2023

- Participated in the Medical School Academy for high school students at LECOM Bradenton as a facilitator to encourage kids to pursue osteopathic medicine.
- Lead campus tours and informational zoom meetings to encourage students applying to medical school.

Florida Osteopathic Medical Association

FL State Alternate Student Delegate - AOA House of Delegates July, 2022

- Represented Florida State and LECOM in voting on resolutions that will decide policy for the American Osteopathic Association
