Introduction

The Dental Facility Expansion Grant is a \$1,000,000 state grant-funding program to support the purchase of dental equipment, labs, and supplies to expand the capacity and services of FAFCC members. In order to apply for this grant, you must be an FAFCC member in good standing.

Introduction

All information for the Dental Facility Expansion Grant will be found at:

<https://www.fafcc.org/dental-facility-expansion-grant>

The screenshot displays the website for the Florida Association of Free & Charitable Clinics (FAFCC). The header includes the FAFCC logo and name, a user profile for Christina Swiridowsky with a logout button, and a contact us button. The main navigation menu contains links for About Us, Our Impact, Events, Membership, and Grant Programs. The Grant Programs dropdown menu is open, highlighting the Dental Facility Expansion Grant. Below the navigation is a large banner image of a dental office with the text "Welcome to the Florida Association of Free and Charitable Clinics". A "News" section is visible below the banner. The footer features a section titled "About the FAFCC" with a description of their mission and four icons representing Membership, State Fund Programs, Annual Conference, and Member Clinics and Networks.

About the FAFCC

We're advancing Florida's healthcare safety net by
empowering organizations that increase access to care for the
underserved.

Membership | State Fund Programs | Annual Conference | Member Clinics and Networks

Program Scope

Critical state investments in expanding services for the uninsured in dental services, increasing the free and charitable clinic sector's role in reducing avoidable hospital rates within their communities. Funding for the uninsured impacts two critical components of an individual's health. First, to provide more complicated medical care, such as surgery, where a dental visit must be done in advance. Second, to improve self-worth.

The timeline for allowable expenses is July 1st, 2023 to June 30th, 2024 however, unlike the SFG Program, this is a non-recurring grant program.

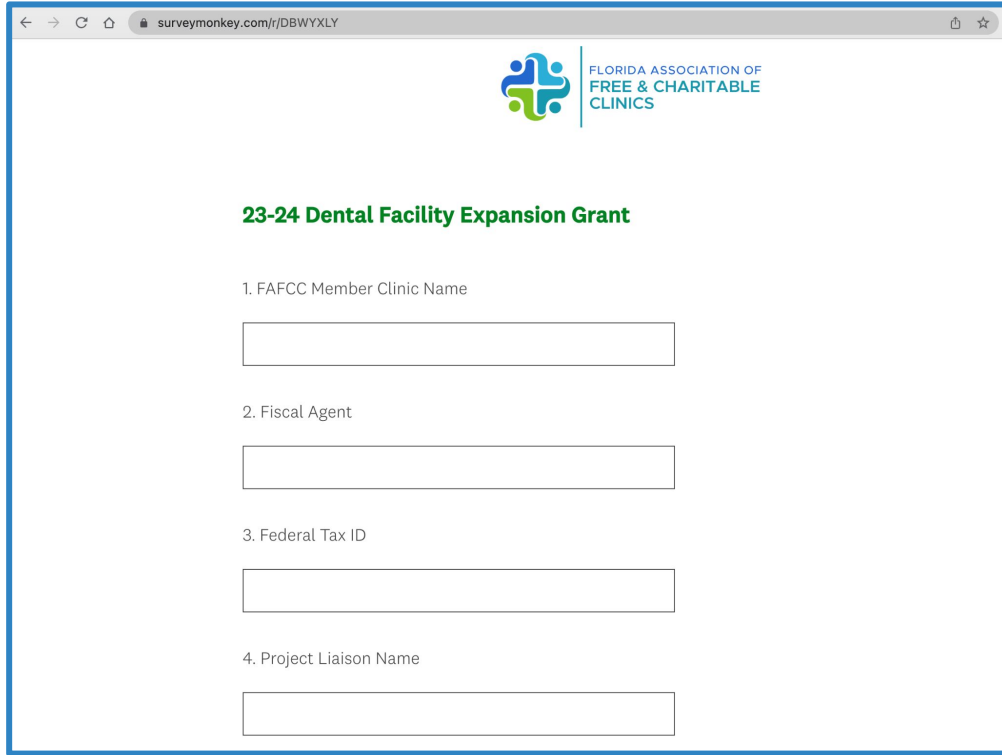

Program Scope: Preference Areas

1. Dental equipment such as, but not limited to: Patient Dental Chairs, Assistant Vacuum, Operatory Lights, Autoclave, X-ray machines, Ultrasonic Cleaners, Vacuum Pumps, and Compressors.
2. Dental labs such as the manufacturing of crowns, dentures, bridges, and other critical dental products.
3. Dental supplies which includes, but are not limited to:
 - a. Instruments such as handpieces, burs, explorers, mirrors, and probes.
 - b. Dental materials to fill cavities, repair teeth, and make crowns and bridges such as amalgam, composite resin, porcelain, and acrylic.
 - c. Consumable supplies such as gloves, masks, bibs, gauze, cotton rolls, and saliva ejectors.
 - d. Toothbrushes, toothpaste, floss, and mouthwash.

Program Scope: Preference Areas

The purchase of a mobile unit is **NOT** an allowable expense.

Application: SurveyMonkey

The image shows a browser window displaying a SurveyMonkey application. The browser's address bar shows the URL "surveymonkey.com/r/DBWYXLY". The page header features the logo of the Florida Association of Free & Charitable Clinics, which consists of a stylized cross made of four human figures in blue and green, followed by the text "FLORIDA ASSOCIATION OF FREE & CHARITABLE CLINICS".

The main content of the page is a form titled "23-24 Dental Facility Expansion Grant" in green text. Below the title, there are four numbered questions, each followed by a text input field:

1. FAFCC Member Clinic Name
2. Fiscal Agent
3. Federal Tax ID
4. Project Liaison Name

Application: SurveyMonkey

1. While you are able to edit your application by saving the link, it is highly recommended you complete the application in a Word or Google Doc, then copy and paste into the application.
2. If you do try to edit your application, you must return to the original link. **IMPORTANT:** this will only work as long as you do not clear your cache/history.
3. A PDF copy of the application is available at <https://www.fafcc.org/dental-facility-expansion-grant>.
4. A grantseeker will also be required to upload the following documents:
 - a. 501c3 designation letter
 - b. Audit, review, 990, or letter of explanation
 - c. Budget form (this will also be available at the above mentioned website and **MUST** be submitted as a PDF.)
 - d. Any documents related to the budget justification such as quotes, supply list with prices, etc.

Application Scoring

For this grant, **FAFCC has sole grantmaking authority**. The following rubric will be provided in the Notification of Funding Availability:

1. The clinic is a Full Clinic Member of FAFCC in good standing, with no outstanding or unpaid invoices.
2. Financial documents are provided, clear, and in a readable format (annual operating budget, actuals, Outside Audit/ Compilation/Review, and 990
3. Budget documentation is provided using FAFCC approved budget template
4. Budget justification documentation includes vendor quotes and estimated delivery dates and is consistent with the proposed budget. Costs are reasonable/credible for the market
5. Project Timeline is provided and includes project start and end dates, along with target progress dates
6. Clearly Defined outcomes which include each of the following:
 - a. How the funds will allow the clinic to increase the number of dental patients served
 - b. What new or additional dental services will be provided
 - c. How the funds will improve the overall quality of care for patients
 - d. Clinics must provide metrics showing the estimated growth in dental patients served or dental services provided

Award Determination Factors

1. Total Appropriation - \$1,000,000.00
2. Number of Qualified Applications
3. Amount of Funds Requested by Applicant
4. Results of Application Package Scoring

Deadline and Award Timeline

1. The deadline for the Dental Facility Expansion grant is **Friday, August 18th**.
2. Grantseekers will be notified of award acceptance by **Friday, September 15th, 2023**.
3. Grantseekers that are not awarded will be notified via email by **Monday, September 18, 2023**.
4. Award letters will be delivered via Dropbox Sign on **Monday, September 18th, 2023**. Grant agreements must be signed by an authorized signatory to fully execute the Grant Agreement by **Monday, September 25, 2023**.
