FAFCC State Funds Grant Program  
NOFA Webinar  
July 19th, 2022

# Agenda

- DOH – FAFCC contract
- NOFA – key points of the program
- Grant application process
- Questions and next steps

# FAFCC & DOH Contract

- The purpose is to implement a state grant-funding program to support **capacity building** products and processes of FAFCC members to improve organizational capacity, effectiveness, and efficiency and service expansion of FAFCC members .
- The Florida Legislature's appropriation for this program in 2022-2023 is **\$9,500,000**. The number and amount of the grant awards will be based upon the number of applications received from eligible organizations, applicant organization's recent board approved operating budget, and results of application scoring. There is no predetermined number of awards. Funding of grant awards is subject to FAFCC's receipt of funds from the State of Florida, Department of Health.
- Timeline
  - July 13th: NOFA made available to FAFCC members
  - August 12th: Complete application must be submitted by 5:00 pm EST
  - September 30th: FAFCC submits a grant award report to the DOH

# Capacity Building Designations

*Capacity building **shall not** include building construction or renovation projects, the purchase of vehicles, indirect costs, or membership dues.*

- Planning, Organizational Assessment, or Other Strategic Consulting
- Personnel Costs for Healthcare Providers

# Grant Application

- The grant application must be completed, with required attachments uploaded, by **5:00 pm EST, Friday, August 12th.**
- The application will be submitted via our new grant platform, WizeHive

# Budget Structure: Intro

- The application process is a single grant proposal broken down and awarded by the following Budget Categories: Personnel Costs, Operational Costs, Programmatic Costs, Conference Award, and CMR licensing fee.
- Each grantseeker will be required to submit a Grant Budget Form along with the Grant Application.
- **No one grantseeker will be awarded more than \$250,000.00 to ensure availability of funds.**

# Budget Structure: Personnel Costs

- FAFCC defines Personnel Costs as those that can be attributed to employees that are employed hourly or by salary. This can include administrative staff, and healthcare providers. This does not include consultants and contractors (see Programmatic Costs). Personnel Costs may include:
  - Medical Director
  - Executive Director
  - Office Manager
  - Development Director
  - Fringe Benefits (Health Insurance, FICA, etc.)

# Budget Structure: Operational Costs

- Also known as Overhead or Administrative Expenses, FAFCC defines Operational Costs as those costs that are not directly attributable to a specific project/program, but which are necessary to the operation of the grantseeker. Operational Costs may include:
  - Insurance (BOD Insurance, etc.)
  - Rent
  - Utilities
  - Technology hardware/Internet connections
  - Office equipment (laptop/computer, printer/scanners, etc.)
  - Outside examination of finances from an independent auditing firm

# Budget Structure: Programmatic Costs

- FAFCC defines Programmatic Costs as those that can be attributed specifically to the execution of a project/program. Programmatic Costs may include:
  - Medical Equipment & Supplies
  - Contracted Services (includes companies outside of immediate clinic staff that perform service such as clinic cleaning, data hosting services, lab fees, etc.)
  - Consulting Services
  - Software (donor management, EMR software, etc.)

# Budget Structure: Conference Award

- Your 2023 FAFCC Annual Conference is calculated by multiplying the number of attendees by the \$350.00 registration fee. This request can only be applied to the 2022 Annual Conference and cannot be retroactively applied to past conferences.
- **\*Conference Registration is \$350.00 per individual**

# Budget Structure: CMR Licensing Fee

- FAFCC's contract with the Florida Department of Health, requires the monitoring of the types of services provided, and the number of appointments per client during the contract term and submit it to the DOH.
- To ensure quality reporting, FAFCC will include an additional \$264.00 to the total award for each grantee. This will be used to pay an annual licensing fee directly to the database provider
- The amount of \$264.00 will be automatically applied to a grantees total award amount.

# Outside CPA Examination of Finances

*A Free and Charitable Clinic must have a review or audit within the last two fiscal years of operation. If not, a Free or Charitable Clinic must request funds to conduct one of the following by an outside CPA:*

*1) a review if the operating budget exceeds \$50,000 but is no more than \$100,000 or*

*2) an audit if the operating budget exceeds \$100,000.*

*Organizations whose operating budget does not exceed \$50,000.00 are exempt from this requirement.*
