FT. LAUDERDALE | TAMPA | TALLAHASSEE + VIRTUAL LIVE OPTION*

LEARN MORE AT [FHCA.ORG/EVENTS/SNFJOINTTRAINING](https://fhca.org/events/snfjointtraining)

The 2024 AHCA Joint Training for Skilled Nursing Facilities offers the unique opportunity for long term care providers and state surveyors to hear from Agency for Health Care Administration (AHCA) leadership and other valued partners and providers. Attendees can earn up to 6 CEUs while learning the latest regulatory requirements and best practices for compliance and operations in the complex environment of a skilled nursing facility.

Featured speakers include representatives from the AHCA Division of Health Quality Assurance, RB Health Partners, Inc., Alliant Health Solutions, and other experienced healthcare professionals. New this year, providers can submit anonymous questions to AHCA related to survey trends, compliance and other areas for an Ask the Agency session.

Topics Include:

- Reducing Rehospitalization Rates
- Reducing Elopement Risks, Fall Risks, and Unnecessary Antipsychotics
- Infection Prevention
- Past Non-Compliance: Adverse Incidents vs. Immediate Jeopardies (IJs)
- Top 10 Deficiencies

Visit FHCA.org for more information about registration, topics, speakers and sponsorships.
