The Florida Assisted Living Association (FALA) is a non-profit association promoting assisted living as a vital part of the long-term care continuum. Payments, contributions, or gifts to FALA are not tax deductible as charitable contributions for Federal income tax purposes. However, net dues payments may be deductible as an ordinary and necessary business expense subject to restrictions imposed as a result of lobbying activities. FALA estimates that the non-deductible portion of dues allocable to lobbying is 25%.
