Why Should I Become a Member?

By joining, your facility becomes part of the largest and oldest network of assisted living providers in the state and will have access to staff experts with nearly 100 years of combined ALF regulatory experience, including former AHCA surveyors and ALF operators. FALA is the only association representing facilities of every size, from 2 to 350 licensed beds. FALA supports all members, regardless of size, with ONE VOICE.

Testimonials

“As always, you all have been a great support for us at The Fountains!”

Sandy Garutti, Executive Director, The Fountains of Melbourne

“I appreciate the fact that we have an active organization that is a voice for those of us who are trying our best to be in compliance with regulation that may affect the safety and well-being of our staff and residents.”

Wanda Law, Executive Director, Hidden Oaks ALF

FALA Education and Training

FALA Chapters

FALA’s Chapter Meetings are unique opportunities to connect locally with fellow providers and FALA members to build relationships and learn more about senior living care. It is FALA’s priority to provide networking and timely information regarding the assisted living and adult family care home industry. Several of our local Chapters have already resumed regular in-person gatherings, and more Chapters are returning every month!
