

FASC 2023-2024 STATE PROJECT

**POST HIGH
SCHOOL
PATHWAYS**

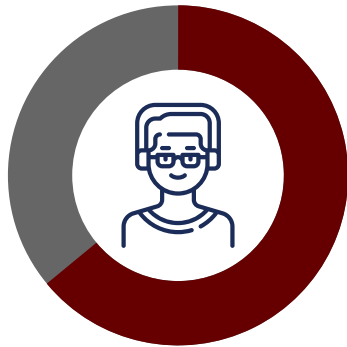

FASC 2023-2024

The aim of our FASC state project is to work towards a 100% graduation rate for the entire state of Florida, and to ensure that all Florida graduates have a plan for after high school.

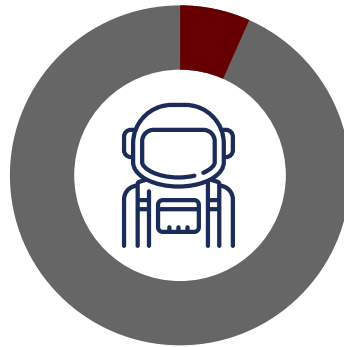

HIGH SCHOOL BY THE NUMBERS

62%

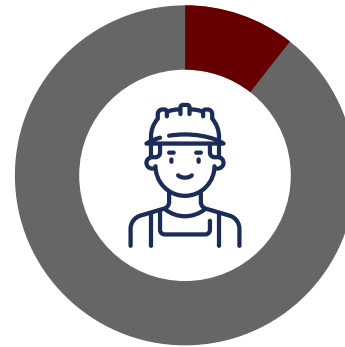

COLLEGE

8%

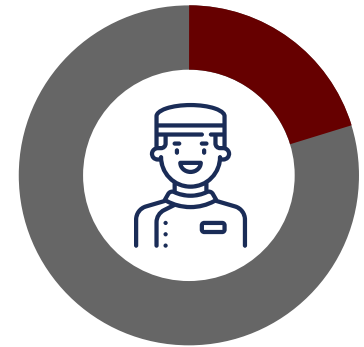

MILITARY

16%

**TRADE
SCHOOL**

23%

WORKFORCE

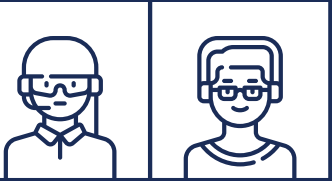

TABLE OF CONTENTS

1 WHAT?

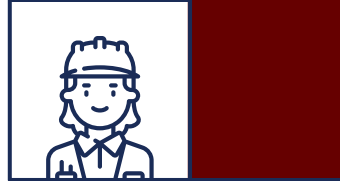

What are the pathways?

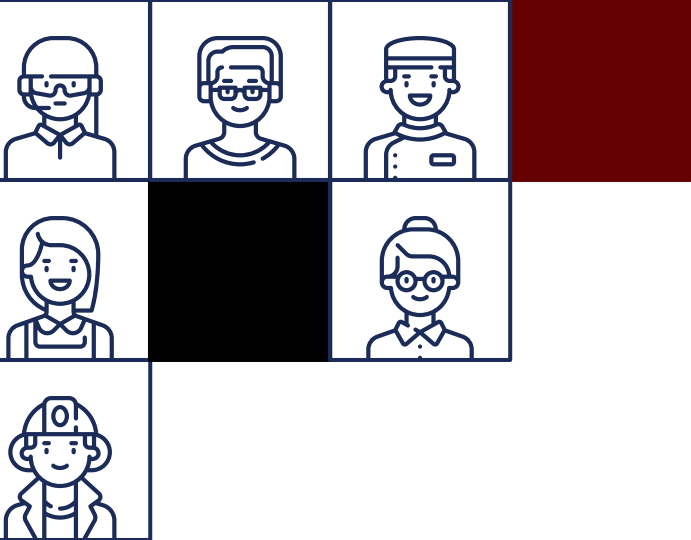

2 WHY?

Why does FASC need to help?

3 HOW?

How can FASC ensure a 100% graduation rate?

01

WHAT?

There are four different pathways once students graduate high school - college, workforce, trade school, and the military

THE PATHWAYS

1

College

The traditional route, college provides access to the potential of higher-paying jobs, but at a bigger cost to the student

3

Workforce

Jobs in retail stores or restaurants provide employees with opportunities to climb the management ladder with little to no extra education

2

Trade School

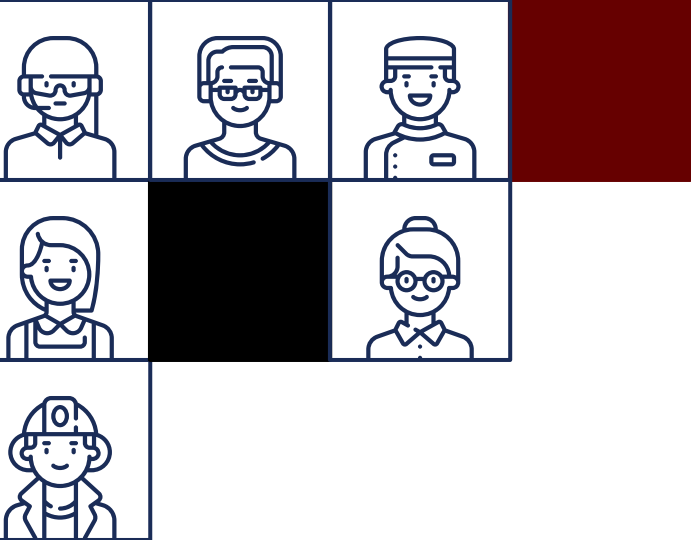

Trade jobs such as electricians, plumbers, and mechanics are essential to support the economy

4

Military

Some students have a legacy of service, or just wish to volunteer in the military

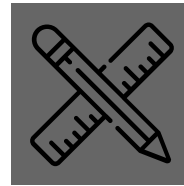

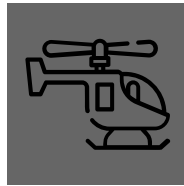

02

WHY?

Why is this project something FASC should focus on?

PATHWAY BENEFITS

COLLEGE

Unique

MILITARY

Free eye care,
dental care,
reduced taxes, VA
benefits

TRADE

Specialized skills,
job security, salary,
business
opportunities

WORKFORCE

Independence,
real-world
experience,
potential rewards

TRADE SCHOOL VS. COLLEGE

\$33,000

**AVERAGE
TUITION (4YR)**

\$150,000

\$48,629

**AVERAGE
SALARY (/YR)**

\$76,538

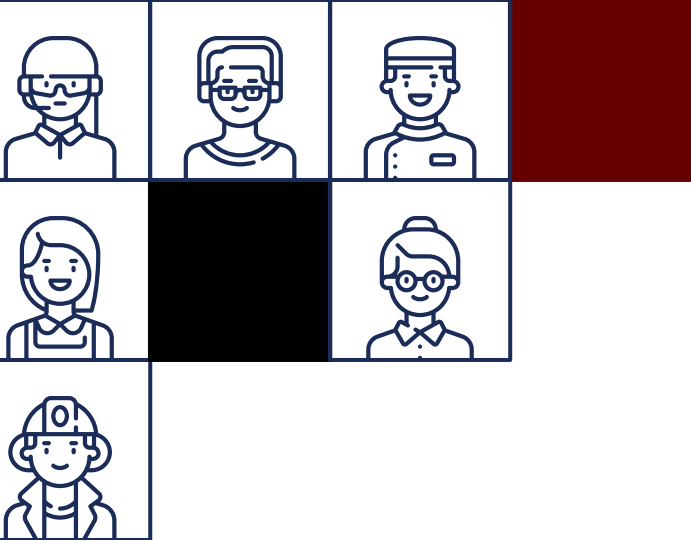

\$15,629

**NET
DIFFERENCE**

-\$73,462

03

HOW?

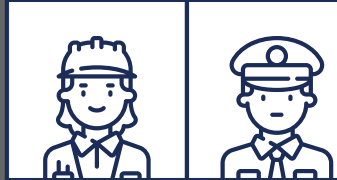

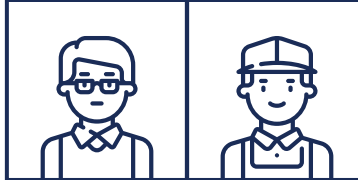

What can FASC do to promote these pathways?

WORKFORCE WORKSHOP

- Host a workshop for SGA or the student body to teach them career skills
- Topics include, but are not limited to: building a resume, writing a cover letter, and preparing for an interview

FAFSA NIGHT

- Host an after school informational session for juniors and seniors
- Cover tips and tricks for applying to colleges, schools
- Common App, FAFSA, senioritis

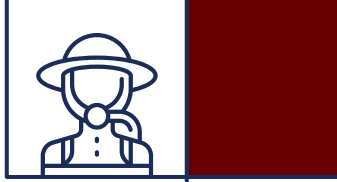

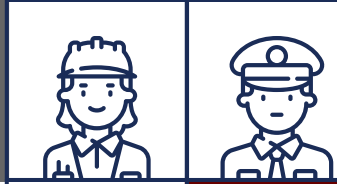

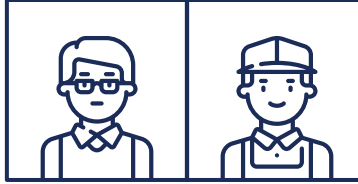

CAREER SHOWCASE

- Coordinate with parents, teachers, friends, to host a career day for the student body or SGA
- Tie into academy programs such as medical, engineering, pre-IT, and culinary!

MIDDLE SCHOOL IDEAS

- Promote membership in career/college related organizations (DECA, FBLA, AVID, NJHS, SECME, JROTC)
- Encourage students to participate in co-curricular activities (robotics, band, chorus, science fair, sports)
- Coordinate with PTA to host a career day

ADDITIONAL BENEFITS

- Personalize students' high school experience
- Counteract damages done by quarantine
 - Improve mental health
 - Boost school spirit
 - Encourage participation
