

Important Information Regarding Resolutions

*For the 2024 FASC State Leadership Conference each school will be permitted to send 2 delegates to the resolutions meeting. If a school has an author of a resolution, that delegate will not be counted as one of the 2 delegates in attendance. The FASC Executive Board decided this at the summer planning meeting.

To be considered for discussion and debate by the Florida Association of Student Councils a resolution must:

1. Be adopted by one of the six FASC districts at a regularly scheduled district meeting.
2. Be sent to the FASC Secretary School and the Executive Director with a post mark or electronic indicator showing that it was sent no later than 30 days prior to the first day of the current school year's state convention.
3. Deal with a national, state or local issue. Please note, resolutions that deal with county issues will be returned to the district so that they can be addressed by the appropriate authority.
4. Be in proper resolution format. Those not in proper format will be returned to the district president.
5. Be presented by the resolutions author or designee at the resolutions meeting at the current year's state convention.
6. Be automatically accepted by the FASC if there is no comment in opposition to the resolution during the period of time set aside for pro and con debate. (Start debate with con – then if there is no opposition a vote will immediately be taken)
7. Each FASC District may submit a maximum of three (3) resolutions for consideration at the state convention.

The FASC Resolutions Committee, as called for in Article XI, Section 1-A, will affirm that proposed resolutions meet the criteria set forth in numbers 1,2,3,and 4 above. If a proposed resolution does not meet any one of those criteria it will be returned to the district president school, with an explanation. This will be done at least ten (10) days prior to the first day of the current year's state convention.
