Dear Florida Association of Student Council Members,

Thank you for reaching out to my office in regard to the resolutions the 2019 FASC State Convention that passed. In reviewing the documents given I appreciate the students in depth research into the issues of Voter Registration, Teacher Pay, Drug and Alcohol Courses, and Statewide School Psychologist. The ideas they have presented are well developed and thought out. It's great to see students stepping up, desiring to lead, and be problem solvers in a culture that often lacks personal responsibility. In reading through the resolutions provided it was evident that the council's goal of bringing growth in student leadership and student engagement in civic affairs is being well achieved. Though I have not determined if my office will be able to file these resolutions this upcoming session, we will be reviewing them further and in detail. Again, thank you for reaching out to our office, if we can ever be of service please do not hesitate to reach out.

In Service,
