*Change Chemistry is a nonprofit membership association registered as a Federally recognized 501(c)6. As such, contributions to the organization are not deductible for federal income tax purposes as charitable contributions. Please consult your tax advisor for the deductibility of this sponsorship. If your organization can only make a tax-deductible contribution, please contact us.

Host a Future Event

Want to demonstrate your leadership in the green and sustainable chemistry space? Host our next Change Chemistry event!

Sponsoring a Change Chemistry event provides your company with an opportunity to demonstrate its commitment to green chemistry and raise its profile as a leader in sustainability to customers, suppliers, and other stakeholders.

Why sponsor a Change Chemistry event?

- Show customers, suppliers, and other decision-makers that your company is committed to green chemistry in your products and operations.
- Raise your corporate profile, across industry sectors and the value chain.
- Increase awareness of your sustainability initiatives.
- Position your brand as a leader in sustainability.

If you would like to learn more about hosting a future Change Chemistry event, please contact Jenny MacKellar at jenny@changechemistry.org.
