Host a Future Event

Want to demonstrate your leadership in the green and sustainable chemistry space?
Host our next Change Chemistry event!

Sponsoring a Change Chemistry event provides your company with an opportunity to demonstrate its commitment to green chemistry and raise its profile as a leader in sustainability to customers, suppliers, and other stakeholders.

Why sponsor a Change Chemistry event?

- Show customers, suppliers, and other decision-makers that your company is committed to green chemistry in your products and operations.
- Raise your corporate profile, across industry sectors and the value chain.
- Increase awareness of your sustainability initiatives.
- Position your brand as a leader in sustainability.
