

Head Start Services for Families Experiencing Homelessness

Children experiencing homelessness are categorically eligible for Head Start services. Head Start programs provide comprehensive services that benefit the entire family, and are in alignment with the McKinney Vento Homeless Assistance Act. This resource is designed to allow Head Start staff and Homeless Education liaisons to easily access each other to collaborate and coordinate services and resources.

Do you work at a Head Start Program? Find your COE Homeless Liaison contact here.

- Click [here](#) to download the Homeless Liaison contact list, or scan the QR Code ↓
- Liaisons are listed by county

Are you a County Homeless Liaison? Find your Head Start contact here.

- Click [here](#) to access the Head Start locator, or scan the QR code >>
- Enter the county name in the search box, click “search”
- Head Start Centers will be listed.
- Click on “more about this grantee” for program-level information
