

NOT GETTING OUR EMAILS?

FOLLOW THESE SIMPLE STEPS

Head Start California regularly communicates with our members regarding advocacy opportunities, Head Start updates, and upcoming events. Emails are sent 1-4 times per week, depending on your agency role. If you are not receiving regular emails from us, please follow these steps.

- 1. First, check your spam/junk folder.** If the emails are going into spam, mark the email as “not spam” and then add our email addresses to your approved senders list. (events@headstartca.org, info@headstartca.org)
- 2. Not in spam? Contact your IT department.** Our updates, newsletters, and regular communications are sent via Constant Contact. Please take [these additional steps](#) with help from your Internet Service Provider (ISP) or IT department to “safelist” our emails.
- 3. Re-subscribe.** Once emails are unblocked, please [re-subscribe to our mailing list here](#).
- 4. Event Emails.** Event and conference-related emails (including registration confirmations) are sent from Pheedloop. Please allow emails that come from “no-reply@pheedloop.com”. You can also take [these additional steps](#) with help from your Internet Service Provider (ISP) or IT department to “safelist” our emails.
