Our Mission.

Our mission is to educate and create actionable solutions to preventing and combating human trafficking in Tennessee.

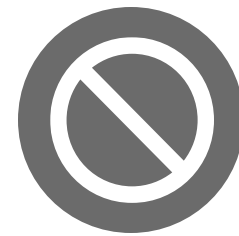

What We Do.

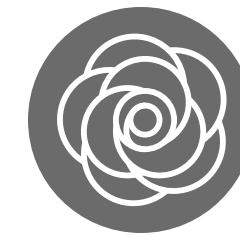

EDUCATE

By providing training to the hospitality industry, businesses, schools, parents, and more, we can make an impact on human trafficking in our community.

PREVENT

By making our community more aware of the problem and enabling them to report, we aim to prevent human trafficking in Middle Tennessee.

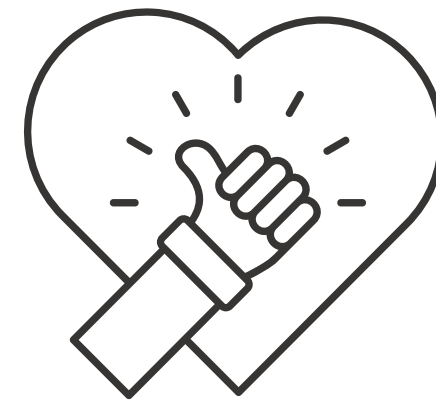

COMBAT

Operation Rose created Project Last Hope as a survivor relief fund to aid survivors of human trafficking in areas where other nonprofits and government services are not able to help.
