

You're Invited to Exhibit!

Who we are

IADD Lake Michigan Chapter

The International Association of Diecutting and Diemaking (IADD) Lake Michigan Chapter is comprised of volunteers who work in the industry. They strive to bring technical training and education to diecutters, diemakers and suppliers located in Illinois, Indiana, Kentucky, Michigan and Southern Wisconsin.

Event History & Highlights

The IADD Xchange was designed with diecutters and diemakers in mind and provides focused technical information for a specific sector of the industry. Since inception, IADD and its local chapters have held eight Xchange events across the USA and Mexico. The two-day 2024 Gasket, Film & Label Xchange marks the 9th event and will provide technical solutions and education for those who manufacture and work with gaskets, films and labels.

The event will attract attendees from food packaging, aerospace, automotive, plastics, vinyl, binders, textiles, medical and consumer goods sectors.

Targeted Attendees

Dedicated Time to Connect

Showcase Products & Services

Curated Technical Programming
