

# Host a Meeting

Open your doors to host the next upcoming IADD meeting. As a host you can build your brand, gain access to technical experts and make new connections.

## Workshop

Industry experts come to you and provide technical training. Hosts receive up to five complimentary registrations. It's a great way to train your team!

- Small training session of 10-30 people
- Classroom style format with on-press/hands-on demonstrations

## Facility Tour

Build your brand and showcase your capabilities to industry professionals. Tours help you make tangible connections and provide a rich experience for all.

- You decide which areas are open to tour
- Highlight new equipment or demonstrate a process
- On average tour size is 30 people per tour

## Technical Meeting

Share your expertise and be seen as a leader in the industry. Present a technical seminar or provide the facility.

- Classroom style format up to 40 people
- Typically includes a one hour technical seminar and a meal (lunch or dinner)
