

**NOMINATIONS  
NOW OPEN**

# **ITEEA'S 2025-2026 AWARDS & SCHOLARSHIPS!**

Celebrate excellence in Technology & Engineering  
Education – nominate or apply yourself today.

## **Why It Matters:**

Teaching is its own reward—but being recognized by your peers? That's next level. ITEEA makes it easy to spotlight the impact educators and programs are making every day.

## **Opportunities:**

- **Program and Teacher Excellence Awards** – Honoring standout K-12 programs and educators worldwide.
- **Distinguished Technology and Engineering Educator & Emerging Leader Recognitions** – Prestigious recognition for experienced and rising professionals.
- **Special Recognition Awards** – Celebrating changemakers in the field.
- **Scholarships and Citations** – Supporting future and current educators in Technology and Engineering Education.
- **STEM School of Excellence** - Apply to showcase your school's integrative STEM program and inspire others!
- And more!

## **Deadlines:**

- Most nominations due November 1, 2025
- STEM School of Excellence applications due December 5, 2025

## **Be Celebrated at ITEEA 2026!**

Awardees will be honored at our 88th Annual Conference in Virginia Beach, March 25–28, 2026.
