

Take Advantage of ITEEA Scholarship Opportunities!

ITEEA's Foundation gives awards and scholarships to support the advancement of STEM through Technology and Engineering Education. The scholarships listed below are uniquely available to preservice and inservice teachers to support their education and professional development. All scholarship recipients will be recognized at ITEEA's 2026 Conference in Virginia Beach, VA on March 25-28, 2026.

Litherland/ITEEA Foundation Undergraduate Scholarship Amount: \$500

The Litherland/ITEEA Foundation Scholarship is awarded to an undergraduate student majoring in technology and engineering education teacher preparation based upon interest in teaching, academic ability, need, and faculty recommendations and honors the legacy of Dr. Les Litherland.

Claussen/ITEEA Foundation Memorial Scholarship for ITEEA TEECA Student Professional Development Amount: \$300

This scholarship encourages professional development participation of undergraduate junior and senior Technology and Engineering Collegiate Association (TEECA) members at the annual ITEEA Conference

Maley/ITEEA Foundation Scholarship for Technology and Engineering Teacher Professional Development Amount: \$500

The Maley/ITEEA Foundation Scholarship, in honor of Dr. Donald Maley supports teachers in their preparation to increase the positive outcomes of technology and engineering education.

Veterans Make Great Technology and Engineering Teachers Scholarship Amount: \$500

Veterans who are currently enrolled as students pursuing either an undergraduate or graduate degree as a Technology and Engineering teacher or inservice Technology and Engineering teachers with five or fewer years of experience. are encouraged to apply. This program serves to honor those who have served our country and are now committed to serving/teaching our students.

ITEEA Membership is required for all scholarship applications.
All scholarships have a deadline of November 1st.
