

FOR THE CLASSROOM AND BEYOND

ITEEA'S 2025 FALL FORUM: VIRTUAL, FLEXIBLE, IMPACTFUL

ITEEA's 2025 Fall Forum: For the Classroom and Beyond

 A Flexible Virtual Experience with 90 Days On-Demand Access

 Live Event: November 5-6, 2025

The countdown is on! Join fellow educators for a dynamic virtual event featuring hands-on activities, live demonstrations, and actionable strategies to elevate your teaching—both in and beyond the classroom.

Can't attend live? No problem. All sessions will be available on-demand for 90 days, so you can learn at your own pace and revisit presentations anytime.

This year's sessions explore timely and relevant topics, including:

- Explore hands-on projects, innovative teaching strategies, inclusive practices, and STEM career pathways to empower students **inside the classroom**.
- Discover strategies to lead, advocate, and innovate **beyond the classroom**—leveraging technology, higher education insights, and professional growth to expand student opportunities.
