

STEM Showcase VIRGINIA BEACH

See Technology and Engineering Bring STEM to Life!

Thursday, March 26, 2026

☀️ **Ready to Inspire?** ☀️

Apply to Present at ITEEA's 2026 STEM Showcase

Don't miss your chance to share your best ideas in Integrative STEM Education with a international audience!

The STEM Showcase is a high-energy exhibition of classroom innovations, creative strategies, and impactful practices.

Whether you're a K–12 teacher, administrator, professor, or student—this is your moment to shine. Showcase a single standout element of your teaching or program: a hands-on activity, design concept, equity strategy, assessment method, or anything that makes your STEM approach exceptional.

 The Showcase will take place on Thursday, March 26, 2026, from 4:30-5:45pm during the ITEEA Annual Conference in Virginia Beach, VA (note that this is a change in schedule for 2026).

 The STEM Showcase provides an excellent opportunity for first-time presenters!

 This opportunity is for educators only. If you're promoting a product, check out ITEEA's Action Labs instead by contacting [Kara Kadow](mailto:kkadow@iteea.org) at kkadow@iteea.org.

 **Deadline to Apply: December 5, 2025**
