All professional memberships receive a complimentary electronic subscription to ITEEA's Technology and Engineering Education (TEE) journal and complimentary membership in one ITEEA Council. Other subscriptions can be ordered separately.

Elementary School I-STEM Education Membership includes the principal and every teacher in the school and includes complimentary electronic subscriptions to ITEEA's Technology and Engineering Education (TEE) journal.

Secondary I-STEM Education (Middle and High School) Memberships include the Principal and up to 4 additional teachers in a variety of content areas and disciplines to receive electronic Technology and Engineering Education (TEE) journal. Additional teachers may join at a reduced rate of 50% off the professional member rate.

Student memberships include membership in the Technology and Engineering Education Collegiate Association (TEECA).
