

MANP AT 25

In 1994, MANP was founded by nonprofits for nonprofits to strengthen the sector's capacity to serve Maine communities.

Over 25 years, MANP has built the state's largest network of nonprofit organizations. Starting with 12 members, we've grown to over 950 nonprofits, small and large, established and emerging, based in all 16 counties.

Today MANP is working to expand the impact of nonprofits as key contributors to Maine's economy and quality of life.

As we continue to grow, MANP is building the capacity, connections, and cross-sector influence of its member organizations. Our core commitments are to:

Empower

nonprofits of all sizes, missions and regions with the tools they need to advance their vital work.

Weave

deeper, richer connections among Maine nonprofits to encourage effective, innovative practices and collaboration.

Cultivate

relationships with partners across the nonprofit, corporate, philanthropic and public sectors and advocate for public policy that helps nonprofits thrive.

Invest

in our teams, technology, communications and facilities to better serve our member organizations.

Annual Snapshot 2019

2019 marked **MANP's 25th anniversary**, commemorated at a June event with 300+ leaders and partners. In our 25th year, we were proud to...

Expand Access for People with Purpose

- Grew our network to 1,100+ nonprofit members and Friends
- Subsidized memberships for 147 small organizations through partnerships with Maine State Library and Maine Land Trust Network
- Launched MANP's Access Fund to support scholarships and discounted memberships. Awarded \$18,000+ in scholarships to 190+ nonprofit staff and volunteers—a 40% increase!

Strengthen Nonprofit Leadership

- 2,100+ people attended 85+ in-person and web-based educational offerings with a focus on rural communities including Dover-Foxcroft, Machias + Presque Isle
- 175+ people from 65+ organizations attended Board Boot Camps—a 30% increase!
- 32 young leader leaders completed the Emerging Leaders Program designed to bring new voices to nonprofit boards
- Four Springboard events brought community leaders together to generate solutions to strategic challenges faced by local organizations

Champion Nonprofit Impact + Influence

- Published "Adding Up Impact: Maine Nonprofits at Work," our biennial economic impact study
- Expanded MANP's Advocacy Network to 40 members, amplifying the voices of nonprofits in Augusta and Washington D.C.
- Celebrated 16th Annual Nonprofit Day at the State House
