Thank you for taking the time to reflect on your experience with Maine's nonprofit sector.

Through this questionnaire, the Maine Association of Nonprofits (MANP) offers Maine candidates for publicly elected office the opportunity to reach our vital constituency to let them know how you would partner with nonprofits to advance policies that would strengthen our state.

Our goal is to promote an educated and enthusiastic nonprofit community that votes.

Please complete the questionnaire no later Friday, September 6, 2024. We will post responses to our website the following week.

Please describe your personal and professional experiences with nonprofit organizations. *

I have worked with nonprofit organizations in Maine for many years, initially as a grant writing consultant and then as in house development staff at 317 Main Community Music Center and at the ACLU of Maine. I have also served on numerous nonprofit boards.

Please describe your top 3 policy goals. *

For the 132nd -- Access to justice, data privacy and AI, and continued progress on repro rights and gun safety.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign. *

I would be happy to provide support in achieving the nonprofit sector's goals. For example in the 131st, I sponsored a bill to exempt nonprofit land trusts from sales tax, while also working with Rep Sachs on the more broad exemption bill. This was a big win! Please keep in touch and let me know how I can help.
