

# 2024 Candidate Survey - Maine Association of Nonprofits

Thank you for taking the time to reflect on your experience with Maine's nonprofit sector.

Through this questionnaire, the Maine Association of Nonprofits (MANP) offers Maine candidates for publicly elected office the opportunity to reach our vital constituency to let them know how you would partner with nonprofits to advance policies that would strengthen our state.

Our goal is to promote an educated and enthusiastic nonprofit community that votes.

**Please complete the questionnaire no later Friday, September 6, 2024. We will post responses to our website the following week.**

Traditionally, non-profits are the organizations that get things done in Maine. They are also the groups that are the best resource for understanding the needs of a community. I am very active with the non-profits in the Westbrook area that deal with food insecurity and continue to have dialogues about how best I can support them in Augusta.
