Thank you for taking the time to reflect on your experience with Maine's nonprofit sector.

Through this questionnaire, the Maine Association of Nonprofits (MANP) offers Maine candidates for publicly elected office the opportunity to reach our vital constituency to let them know how you would partner with nonprofits to advance policies that would strengthen our state.

Our goal is to promote an educated and enthusiastic nonprofit community that votes.

Please describe your personal and professional experiences with nonprofit organizations. \*

Non profits are vital and I have and continue to have many interactions. I started with my first community involvement volunteering for a women and children unhoused shelter, and sexual assault services throughout my 20's, continued volunteering and assistance accessing funding for footprints, fair tide, mainspring, I attend many events at the Ogunquit Playhouse, dance classes at the Dance Hall, support the great work of the Kittery Land Trust, and worked with the Kittery Art Association as the Chair of the Kittery Community Center. I am sure there are many more examples of how important non profits and my interactions with them.

Please describe your top 3 policy goals. \*

Unhoused support/wrap around services/mental-physical health, climate change, gun safety, juvenile justice reform.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign. \*

I'm interested in discussing this and learning how legislators can help support the vital and positive impact non-profits offer to the state of Maine.
