Our goal is to promote an educated and enthusiastic nonprofit community that votes.

Please describe your personal and professional experiences with nonprofit organizations. *

Secretary to Woolwich Historical Society, Secretary and volunteer at Maine' First Ship, volunteer at Bath Farmers Market, members of many historical societies, board member to Patten Free Library

Please describe your top 3 policy goals. *

attainable housing, property tax relief, climate resilience

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign. *

all of these goals take partnerships with non-profits. Housing requires relationships with organizations who provide services for the unhoused and inadequately housed. Property tax relief is achieved in part, with relationships with land trusts, but also groups who help people who struggle with paying their household bills. Climate resilience will not be advanced without help from organizations like KELT, or Maine Coast Fishermen's Ass'n, or NRCM.
