

2024 Candidate Survey - Maine Association of Nonprofits

Thank you for taking the time to reflect on your experience with Maine's nonprofit sector.

Through this questionnaire, the Maine Association of Nonprofits (MANP) offers Maine candidates for publicly elected office the opportunity to reach our vital constituency to let them know how you would partner with nonprofits to advance policies that would strengthen our state.

Our goal is to promote an educated and enthusiastic nonprofit community that votes.

Please complete the questionnaire no later Friday, September 6, 2024. We will post responses to our website the following week.

Please describe your personal and professional experiences with nonprofit organizations. *

I am currently on the Board of Somerset Woods Trustees (have been for approximately 9 years) and just went off of the local Board of Directors for Maine Community Foundation (Western Mountain Fund) after 9 years. One of my kids has started 2 nonprofits as well, so I am well aware of them

Please describe your top 3 policy goals. *

I am a retired Family Physician, having practiced in Skowhegan for 40 years and am very interested in health care issues and health care costs; I worked with patients with substance use disorders for many years and helped start an alternative sentencing program at the Somerset County jail called ASAP; and I am an avid birdwatcher and care deeply about environmental issues - I have been rewilding a 27 acre field for the last 3 years in Skowhegan and started a horticultural program at the Skowhegan Area High School to grow native perennials for Somerset Woods Properties. Climate change and other environmental issues are very important to me. I also grew up in a family with a single Mom with 5 kids and educational quality and affordability is important to me

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign. *

I was a former legislator and often partnered with them on legislative issues. I served on HHS committee when I served.
