

2024 Candidate Survey - Maine Association of Nonprofits

Thank you for taking the time to reflect on your experience with Maine's nonprofit sector.

Through this questionnaire, the Maine Association of Nonprofits (MANP) offers Maine candidates for publicly elected office the opportunity to reach our vital constituency to let them know how you would partner with nonprofits to advance policies that would strengthen our state.

Our goal is to promote an educated and enthusiastic nonprofit community that votes.

Please complete the questionnaire no later Friday, September 6, 2024. We will post responses to our website the following week.

Please describe your personal and professional experiences with nonprofit organizations. *

I have worked at Bates College for 24 years and have served on the boards of several non-profits, currently Community Concepts, Inc.

Please describe your top 3 policy goals. *

Support for the caregiving continuum, housing affordability and accessibility, gun safety reform

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign. *

I believe collaboration is the foundation on which strong policy is built. Therefore, I like to include stakeholders in the earliest stages of policy formation and plan to work with the non-profits doing the on-the ground work related to these policies throughout the legislative process.
