

2024 Candidate Survey - Maine Association of Nonprofits

Thank you for taking the time to reflect on your experience with Maine's nonprofit sector.

Through this questionnaire, the Maine Association of Nonprofits (MANP) offers Maine candidates for publicly elected office the opportunity to reach our vital constituency to let them know how you would partner with nonprofits to advance policies that would strengthen our state.

Our goal is to promote an educated and enthusiastic nonprofit community that votes.

Please complete the questionnaire no later Friday, September 6, 2024. We will post responses to our website the following week.

Please describe your personal and professional experiences with nonprofit organizations. *

I served on the Board of the Cape Elizabeth Land Trust for 9 years, 2 as president. I am currently on the board of Farms For Food Equity. I value the role nonprofits play in Maine's economy and Mainers' quality of life. I also appreciate the various MANP training opportunities I have attended.

Please describe your top 3 policy goals. *

Reducing Mainers' reliance on fossil fuels and adapting to climate change
Increasing housing in Maine, especially the construction of additional housing that is consistent with our climate work
Improving access to affordable and high quality health care to all in our state

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign. *

I have been working on these issues during the 6 years I've served in the Legislature. I regularly partner with service and advocacy organizations on this work. Examples include Natural Resources Council of Maine and Defend our Health on climate, Maine Affordable Housing Coalition and Maine Equal Justice on housing, and Maine Children's Alliance and Consumers for Affordable Health Care.
