

2026 Candidate Survey

Candidate Name: Genevieve Lemire

Office Running For: State House

District: 10

Campaign Website: lemireformaine.com

Please describe your personal and professional experience with nonprofit organizations

I have volunteered with and run the HOBY VT seminar for over 17 years and currently the Director of Recruitment for HOBY Maine along with helping with programming and being a Facilitator. With HOBY in general I have been in many roles like, facilitator, program chair, fundraising, and corporate board president. This is a youth nonprofit that holds seminars for 10th grade students every year to learn about leadership, entrepreneurship, and community service. We select a community service project for the seminar each year.

I have been a volunteer for Habitat for Humanity, School, and Community in Partnership (same as the PTA). I volunteer at local community organizations like the American Legion Auxiliary. Pembroke Historical Society (current President) and volunteered at many others over the years.

Please describe your top three policy goals.

- To help the state maintain and increase the availability and affordability of healthcare for families, seniors, and veterans.
- Ensure availability of resources to reduce and eliminate food insecurity by providing resources to organization like food pantries, meals on wheels, etc.

MANP does not endorse candidates or promote or endorse any political party. MANP's goal is to educate nonprofits and legal and effective advocacy and election season activity, to educate candidates about the impact and potential of the nonprofit sector, and to educate voters by soliciting information directly from candidates on how they would strengthen and partner with the sector if elected.

www.NonprofitMaine.org

- Work towards restructuring the current property tax calculations to reduce the burden on homeowners, making housing more affordable.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

I was a Quality Analyst in the aerospace industry for 41 years. I led teams in root cause analysis, problem solving, and sustainable solutions. I will use that experience in the statehouse and find fact-based solutions that help those who need it the most. I am very supportive of non-profits that improve the lives of the people they serve.
