

2026 Candidate Survey

Candidate Name: Lynn Holland Copeland

Office Running For: State House

District: 130

Campaign Website: lynncopelandsaco.com

Please describe your personal and professional experience with nonprofit organizations

As a foster parent, I worked under nonprofits to help youth have a better childhood, and have supported and understand the value nonprofits.

Please describe your top three policy goals.

Affordability: accessible housing, healthcare, and lower so-called kitchen table issues. Equal Rights: As a co-sponsor of the ERA in the Maine House, I firmly believe people are people; the divisions of humans are man made constructs. Expand Healthcare: As we have seen through the pandemic, we are all human and in the same boat. It is important to our entire society for people to be healthy. Full stop.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

I am aligned and endorsed by several nonprofits including equal rights to gun safety, among others.

MANP does not endorse candidates or promote or endorse any political party. MANP's goal is to educate nonprofits and legal and effective advocacy and election season activity, to educate candidates about the impact and potential of the nonprofit sector, and to educate voters by soliciting information directly from candidates on how they would strengthen and partner with the sector if elected.
