

2026 Candidate Survey

Candidate Name: Todd M. Davis

Office Running For: State House

District: 130

Campaign Website: I do not currently have a working website. However my Facebook page is Todd M. Davis for Maine House

Please describe your personal and professional experience with nonprofit organizations

I worked for more than six years with a Maine based nonprofit that provides residential care, assisted living, and community support services for seniors, adults with mental health challenges, and individuals with intellectual disabilities or autism.

Please describe your top three policy goals.

- Affordability first for families who work too hard to just get by
- Improve Education by combining core learning with modern technical readiness
- Protect children, support seniors, and reinforce care for our most vulnerable

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

I would bring my experience working for a non profit as well as other community based organizations to the table. I would bring my ability to listen to the needs of nonprofits and work with them to continue to provide the social safety net they provide to our most vulnerable citizens.
