Please describe your personal and professional experience with nonprofit organizations

My wife, Lori Gramlich has worked in the non-profit sector for over 30 years. I have seen first-hand through her work, the incredible impact non-profits has had in Maine. I am currently involved with a small local non-profit in my community, Friends of the Ballpark.

Please describe your top three policy goals.

Cutting Health Care Costs, Supporting our Teachers and Public Schools, Protecting our Environment

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

I will always keep the non-profit sector front and center in any legislation that might come before us in the legislature. I would partner with the sector to help advance any policy priorities MANP has.

MANP does not endorse candidates or promote or endorse any political party. MANP's goal is to educate nonprofits and legal and effective advocacy and election season activity, to educate candidates about the impact and potential of the nonprofit sector, and to educate voters by soliciting information directly from candidates on how they would strengthen and partner with the sector if elected.
