Please describe your personal and professional experience with nonprofit organizations

My small business, Gary Friedmann & Associates, which has a staff of six, has helped nonprofits throughout Maine succeed for more than 30 years.

Please describe your top three policy goals.

Progressive Taxation; Climate Mitigation; and Civil Liberties, including Election Protection, Anti-ICE legislation, and Immigrants Rights

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

Nonprofit stakeholders will be essential in crafting and supporting these bills. I look forward to helping to build coalitions to advance these policies.

MANP does not endorse candidates or promote or endorse any political party. MANP's goal is to educate nonprofits and legal and effective advocacy and election season activity, to educate candidates about the impact and potential of the nonprofit sector, and to educate voters by soliciting information directly from candidates on how they would strengthen and partner with the sector if elected.
