

2026 Candidate Survey

Candidate Name: David C Ulrich

Office Running For: State House

District: 19

Campaign Website: Ulrichformaine.com

Please describe your personal and professional experience with nonprofit organizations

I am a Family Nurse Practitioner. The FQHCs where I worked for 11+ years were non-profit and saw everyone regardless of their ability to pay. For the last 5 years I have worked a for profit Medicare Advantage Plan. That experience has led me to conclude that Maine can and should provide Universal Healthcare that is non- profit. Private insurance increases wait times for approval of treatments and medication and as much as 15% of premiums and Medicare and Medicaid contributions go to shareholders instead of patients.

Please describe your top three policy goals.

Maine AllCare

Universal Basic Income

Increase education funding with emphasis on teacher's salaries

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

I will seek out the expertise of non-profits for strategies and tools to achieve my policy objectives

MANP does not endorse candidates or promote or endorse any political party. MANP's goal is to educate nonprofits and legal and effective advocacy and election season activity, to educate candidates about the impact and potential of the nonprofit sector, and to educate voters by soliciting information directly from candidates on how they would strengthen and partner with the sector if elected.
