Please describe your personal and professional experience with nonprofit organizations

I have worked with many non-profits throughout my life, both professionally and, earlier, as a child of a client.

Please describe your top three policy goals.

Housing access and affordability, criminal justice reform, and civil legal aid for the indigent.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

Working with stakeholder non-profits to draft and sponsor legislation targeted toward any of the aims identified above.

MANP does not endorse candidates or promote or endorse any political party. MANP's goal is to educate nonprofits and legal and effective advocacy and election season activity, to educate candidates about the impact and potential of the nonprofit sector, and to educate voters by soliciting information directly from candidates on how they would strengthen and partner with the sector if elected.
