Please describe your personal and professional experience with nonprofit organizations

It began in 1972 with two years of service as a Vista Volunteer and then came forty years as a city manager - the last twenty-four in Augusta. I have spent 15 years on the board of the local YMCA and been involved supporting a number of other not for profits.

Please describe your top three policy goals.

Enhanced environmental protects; protecting our most vulnerable residents in the face of unconscionable federal program cuts and reductions; reduction of the burden of local property taxes.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

I will sponsor supportive legislation and I will be a prominent presence at local activities and institutions.
