Please describe your personal and professional experience with nonprofit organizations

Not much work with non-profit organizations.

Please describe your top three policy goals.

Bring good-paying jobs back to Oxford County, Make the wealthy pay their fair share, just like Troy Jackson says the fight is not over Dems vs Rep. It's the top vs bottom. Keep more money in the pockets of hard-working Mainers. By expand and protect income tax credits, child tax credits, property tax exemptions. Universal health care, and childcare. Basically, everything the wealthy don't want an elected official to do. Cater to the poor and working class. Protect our future. Affordability.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

I would work with non-profits anyway I could get my goals for the people.

MANP does not endorse candidates or promote or endorse any political party. MANP's goal is to educate nonprofits and legal and effective advocacy and election season activity, to educate candidates about the impact and potential of the nonprofit sector, and to educate voters by soliciting information directly from candidates on how they would strengthen and partner with the sector if elected.
