Please describe your personal and professional experience with nonprofit organizations

I have worked alongside nonprofits as a public school teacher to supplement my class offerings. I also volunteer with a few nonprofits.

Please describe your top three policy goals.

Bring down property taxes, prevent youth gun violence, expand childcare access.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

I am always open to collaboration and welcome the perspective of Maine's rich and diverse nonprofit community.

MANP does not endorse candidates or promote or endorse any political party. MANP's goal is to educate nonprofits and legal and effective advocacy and election season activity, to educate candidates about the impact and potential of the nonprofit sector, and to educate voters by soliciting information directly from candidates on how they would strengthen and partner with the sector if elected.
