Office Running For: State House

District: 94

Campaign Website: www.harrimanforhouse.com

Please describe your personal and professional experience with nonprofit organizations

I have been a member supporter of many nonprofits over the years, and I've also volunteered for some of those organizations. I've worked with others on several political initiatives in recent years.

Please describe your top three policy goals.

gun safety, tax fairness, overall affordability

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

Nonprofits perform a lot of the important work in our community that for-profit businesses and the government don't do. I look forward to partnering with various organizations to draft legislation, as well as using them as a resource for information about the issues affecting my constituents.

MANP does not endorse candidates or promote or endorse any political party. MANP's goal is to educate nonprofits and legal and effective advocacy and election season activity, to educate candidates about the impact and potential of the nonprofit sector, and to educate voters by soliciting information directly from candidates on how they would strengthen and partner with the sector if elected.
