Office Running For: State Senate

District: 1

Campaign Website: www.daigleformaine.com

Please describe your personal and professional experience with nonprofit organizations

One legislative term on the HHS committee has left me with questions concerning administrative overhead, and how effectively and efficiently the funding is used.

Please describe your top three policy goals.

Decrease the income tax burden on the businesses and working people.

Decrease the excessively high electricity rates.

Clean up the waste, fraud and abuse in the NGOs funded by DHHS.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

I require data on administrative overhead, the percentage of funding that is used for direct care, and how effective the results of care actually are.

MANP does not endorse candidates or promote or endorse any political party. MANP's goal is to educate nonprofits and legal and effective advocacy and election season activity, to educate candidates about the impact and potential of the nonprofit sector, and to educate voters by soliciting information directly from candidates on how they would strengthen and partner with the sector if elected.
