Please describe your top three policy goals.

Education, Energy and housing

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

I don't have an explicit answer to this, but through my work with unions, I know how important coalition building is, and that we have to work together to achieve the things we need in this state.

MANP does not endorse candidates or promote or endorse any political party. MANP's goal is to educate nonprofits and legal and effective advocacy and election season activity, to educate candidates about the impact and potential of the nonprofit sector, and to educate voters by soliciting information directly from candidates on how they would strengthen and partner with the sector if elected.
