President's Message

Welcome to the 2026 Metro Builders Association (MBA) Membership Directory. It's an exciting time to be part of an organization that continues to set the standard for excellence in home building, remodeling, and community development across the Greater Milwaukee Area.

The MBA brings together more than 700 companies that make up the foundation of our local housing industry—builders, remodelers, developers, and countless trade partners who together employ thousands of hardworking professionals. Each year, their efforts contribute over \$800 million in economic activity, reinforcing the importance of housing to our region's growth and stability.

Within these pages, you'll find a community of members who share a commitment to quality, integrity, and professionalism. Whether you're planning to build, renovate, or collaborate, choosing an MBA member means partnering with people who care deeply about doing things the right way.

As I begin my term as President of the MBA for 2026, I am inspired by the dedication of our members and the positive impact they make every day. Together, we will continue to strengthen our industry, support innovation, and help create vibrant, thriving communities throughout the Greater Milwaukee Area.

Thank you for your continued trust and involvement in the Metro Builders Association. I look forward to an outstanding year ahead as we build, grow, and make a difference—one project at a time.

Executive Officer's Message

It is my pleasure to welcome you to the **2026 Metro Builders Association (MBA) Membership Directory**. Each year, this publication gives us a chance to pause and recognize the incredible people who make up our association — the builders, remodelers, contractors, architects, engineers, suppliers, and service providers who shape the communities where we live and work.

Over the past year, we've continued to grow and strengthen our association in meaningful ways:

1. **Investing in Our Members:** Whether through networking opportunities, education, or business resources, we're committed to helping our members succeed and stay connected. You can find more details about our programs and events at www.MBAbuilds.org.
2. **Advocating for Affordability:** Housing affordability remains one of the most important issues we face. The MBA continues to work closely with our partners and policymakers to reduce unnecessary costs and keep homeownership within reach for more families.
3. **Reaffirming Our Identity:** Through continued work on our strategic plan, we've taken a thoughtful look at who we are and how we can best serve our members and our community. The result is a renewed focus on supporting the people and businesses who make this industry thrive.

As we look forward, I'm encouraged by the dedication and momentum within our membership. Together, we'll continue to strengthen our Association, support one another's success, and uphold the high standards that define the MBA and our industry.

On behalf of the MBA, thank you for your continued trust and support — whether you're a valued member of our association or a consumer seeking quality and professionalism in your next project. Together, we're building stronger communities and a brighter future.

The Metro Builders Association is the Industry Standard

Using MBA Members Protects Consumers

We not only set the construction standards
for the metropolitan Milwaukee region . . .
the Metro Builders Association is the **INDUSTRY STANDARD**.

The MBA is the Industry Standard for home building, remodeling, and home improvement projects. The first step in your home building, remodeling or home improvement project is to check with the MBA for contractors and resources.

MBA Community Vision

The Metropolitan Builders Association's (MBA) Vision reflects our commitment to professionalism, integrity, and quality in the home building industry. Our members pledge to uphold professional standards of honesty, fair and safe business practices, and compliance with building codes and regulations as we represent our industry with responsibility and excellence.

Visit **MBAbuilds.org** for a searchable
list of professional contractors.

BUILD A STRONGER BUSINESS, NOT JUST STRONGER BUILDINGS

Turn Every Project into a Profit Opportunity

In construction, running your business means juggling a lot...rising costs, tight schedules, and keeping every job profitable. At SVA, we help you make sense of the numbers so you can focus on the work that matters most.

Our construction advisors know the industry inside and out. We'll help you understand your job costs, manage overhead, and plan for the future.

We help contractors with:

**ACCURATE JOB COSTING

Most Preferred Window & Door Brand by Homeowners¹

We innovate with purpose, design and passion, build with integrity and deliver with pride. When you're looking for windows and patio doors, choose windows and doors from the brand rated number one.²

¹Study of homeowner perceptions of leading national brands. Study commissioned by Pella, 2021.

²Based on comparing written limited warranties of leading national wood window and patio door brands. See written limited warranties for complete details, including exceptions and limitations, at pella.com/warranty, or contact Pella Customer Service at 877-473-5527

INVEST IN YOURSELF • STRENGTHEN YOUR INDUSTRY • GROW YOUR BUSINESS

Become an MBA Member TODAY!

Founded in 1942, the Metro Builders Association (MBA) began as a small group of local builders united to strengthen professionalism and collaboration within the Milwaukee-area housing industry. Over the decades, membership expanded to include hundreds of builders, remodelers, suppliers, and service professionals across southeastern Wisconsin. Today, as part of the Wisconsin Builders Association and the National Association of Home Builders, the MBA represents the collective voice of the regional construction community. The organization supports members through advocacy on housing issues, education and certification programs, networking events, and major public showcases like the Parade of Homes and Home Building & Remodeling Show, all aimed at promoting quality, innovation, and growth in the building industry.

3-IN-1 MEMBERSHIP

Your MBA membership grants access to the Metro Builders Association (MBA), Wisconsin Builders Association (WBA), and the National Association of Home Builders (NAHB).
