Job description and information: Job Summary:

We are looking for an individual who takes pride in their work, has an eye for detail ,and can lead and manage a framing crew. Candidates should be able to follow detailed instructions and complete their tasks in an efficient and timely manner. Looking for experienced carpenters and prefer to have foreman or crew leader experience.

Must enjoy working for a mid-size, yet rapidly growing firm with high standards for accuracy and excellence in their work. The ideal candidate will enjoy working for a company that values work/life balance, a positive and fun environment, and will be joining a great team of other professionals who are dedicated to their work but also know how to keep it positive and have fun. HPF is a company that embodies the culture and values of a smaller company with the systems and process-oriented nature of a corporation.

Core Accountabilities/Essential Duties/Responsibilities: This list is not all inclusive

- Maintain a clean and safe jobsite.
- Layout and lead the construction of building each home from the floor joists to the roof trusses, through punch out.
- Lead a crew of 3-5 framing technicians in the framing construction of single family and duplex homes.
