At Associated Bank, our team of trusted mortgage professionals is here to partner with you and secure the right loan option to meet your needs. Best of all, we have decades of lending knowledge and experience to help you navigate through the mortgage process, while making the customer experience less stressful and more enjoyable. When it comes to financing your home, we've got you!

Contact your local loan specialist to get started today.

**LEADING LENDER
IN THE MIDWEST
FOR OVER A DECADE***

The Leading Lender in the Midwest designation is based on originated, closed-end mortgage loan count, gathered from the Home Mortgage Disclosure Act data compiled annually by the Consumer Financial Protection Bureau. The results of the data were obtained through the Consumer Financial Protection Bureau Mortgage Database (HMDA), July 2023.

Loan products are offered by Associated Bank, N.A., and are subject to credit approval and involve interest and other costs. Please ask about details on fees and terms and conditions of these products. Property insurance and flood insurance, if applicable, will be required on collateral. Member FDIC. (11/23) P09765

Building or remodeling a home is a big decision. When doing so, consumers choose to use Metropolitan Builders Association (MBA) members for peace of mind, their dedication to professionalism and strong business ethics. MBA members have also met certain requirements set by the MBA to protect consumers. This includes background checks, financial history, and interviews.

President's Message

On behalf of the Metropolitan Builders Association (MBA) membership and staff, I'd like to thank you for browsing through our 2024 MBA Member Directory. Our Association prides itself on being the premier home building & remodeling group of the Greater Milwaukee Area.

The MBA is a not-for-profit trade association that represents nearly 700 companies involved in the construction, development, and remodeling of single-family & multifamily residential homes and light commercial properties in Waukesha, Washington, Ozaukee, Jefferson, & Milwaukee Counties. Collectively, our members employ tens of thousands of workers in the metro-Milwaukee area and do more than \$800 million worth of business each year. With such a large number of high-paying jobs, the housing industry is a fundamental element to the area's continued economic health & growth.

Now that you have the directory, look no further! MBA professionals are invested in their businesses and their industry. Each MBA member goes through a rigorous screening process including background checks, financial history, and interviews. Once a member, they benefit from the continuing education, networking, and business management skills that are provided by the Association. Did you know that MBA members are leaders for the advocacy for attainable housing in Wisconsin? When you choose an MBA member, you can rest assured that you are working with a group that has pledged itself to a higher standard of practice which includes honesty, integrity, and responsibility in the conduct of their business. Simply stated, they are the best in the industry.

The MBA sponsors many special events throughout the year which include the Home Building & Remodeling Show, the Spring Tour of Homes, and the longest running Parade of Homes in the nation. For more information on these events and our members, please visit our website: MBABuilds.org.

I am honored to have been chosen to serve as the MBA President for 2024 and I am also excited to work alongside our MBA members as we build homes, enrich our communities, and change lives!

Executive Director's Message

I am delighted to extend greetings to you on behalf of the MBA (Metropolitan Builders Association of Greater Milwaukee) and welcome you to our 2024 annual directory of members.

This year has brought about significant challenges and opportunities for both the construction sector and consumers alike. The MBA is proud to be at the forefront of this industry, representing an array of skilled professionals and companies who are committed to delivering excellence and innovation in construction services. It is our privilege to provide you with this directory, which serves as a valuable resource to connect consumers with the finest talents in the field.

In this directory, you will find a comprehensive listing of our esteemed members, including builders, contractors, architects, engineers, suppliers, and service providers. These individuals and organizations have been carefully vetted, and they adhere to the highest standards of quality, ethics, and safety. By choosing an MBA member, you are ensuring that your construction project will be handled with the utmost professionalism and expertise.

As we continue to evolve and adapt to the ever-changing landscape of the construction industry, we are pleased to share some notable updates and initiatives that the MBA has been working on:

1. **Education and Training:** We have expanded our educational programs to empower our members with the latest knowledge and technologies, ensuring that they remain at the forefront of industry developments. This investment in skill development results in even better service for our consumers.
2. **Sustainability and Innovation:** The MBA is dedicated to promoting sustainable construction practices and innovative technologies that not only enhance the quality and efficiency of projects but also contribute to a greener future. Our members are actively involved in these efforts, and we encourage you to explore the sustainable solutions they offer.
3. **Consumer Feedback:** We value your feedback and encourage you to share your experiences with our members. Your input helps us maintain the high standards of quality and professionalism associated with MBA membership. Visit our website (www.mbabuilds.org) or contact us directly to provide your valuable insights.

The MBA is dedicated to fostering strong relationships between consumers and our members. This directory is a testament to our commitment to providing you with a reliable and up-to-date resource for all your construction needs.

On behalf of the MBA and our members, I extend our sincerest appreciation for your continued trust and support. Together, we will build a future that is both safe and remarkable.

The Metropolitan Builders Association is the Industry Standard *Using MBA Members protects consumers*

*We not only set the construction standards for the metropolitan Milwaukee region . . .
the Metropolitan Builders Association is the **INDUSTRY STANDARD.***

The MBA is the Industry Standard for home building, remodeling, and home improvement projects. The first step in your home building, remodeling or home improvement project is to check with the MBA for ontractors and resources.

Only the very best contractors call themselves an MBA Member because:

- ◆ We conduct Background Checks and Personal Interviews with each new Home Builder or Remodeler Member.
- ◆ Each member must abide by High Ethical Standards.
- ◆ We serve as the region's authority on Industry Standards for home building and remodeling.

Visit MBAbuilds.org for a searchable list of professional contractors.

EXTRA-MILE SERVICE. EXTRAORDINARY RESULTS.

Our team is driven to deliver for our customers and help solve today's toughest challenges. We offer expert advice as you shop our extensive selection of framing lumber and components, windows and doors, and interior millwork for your next project.

Engineered for lasting durability.

Most Preferred Window & Door Brand by Homeowners¹

We innovate with purpose, design and passion, build with integrity and deliver with pride. When you're looking for windows and patio doors, choose windows and doors from the brand rated number one.²

¹Study of homeowner perceptions of leading national brands. Study commissioned by Pella, 2021.

²Based on comparing written limited warranties of leading national wood window and patio door brands. See written limited warranties for complete details, including exceptions and limitations, at pella.com/warranty, or contact Pella Customer Service at 877-473-5527

NONN'S
KITCHEN BATH & FLOORING

Experience that feeling...

Stylish selections don't have to come with upsetting costs. Low prices don't need to mean boring options. At Nonn's we have both—big-box prices *and* boutique selections.

KITCHEN. BATH. FLOORING. DELIGHT.

CELEBRATING

30
Years!

We have a great team! From the moment you walk through the door, our friendly, knowledgeable and attentive staff will help guide you through the building process. You will soon learn that, at Aspen Homes, we're about building relationships; not transactions.

To learn more about the benefits of choosing Aspen as your builder, scan the code below with your smart phone.

Building a new home is an exciting venture, and we are committed to providing you a positive experience, and a beautiful new home that you can enjoy for years to come!

Put your trust in us and let Aspen do the work for you!

See our website for a list of models open for tours and homes listed for sale

Rooted in Tradition.
DESIGNED FOR TODAY'S LIFE.

Build Your Dream Home. Close Once.

Skip the expense and hassle of closing twice on your new construction with Bell Bank Mortgage's One-Time Close Program.

- ✓ Rate is locked in from initial close
- ✓ Interest only payments for a short period*
- ✓ Up to 95% financing on conforming loans
- ✓ Available on new construction and total tear-downs
- ✓ Flexible draw process

**After the interest only portion, full principal and interest payments required. Subject to credit approval. Program guidelines are subject to change without notice. Not available in all markets. Other restrictions apply.*

Supporting community is investing in our neighborhoods.

Investing in our community means helping more people become homeowners... and that's what new construction loans are all about. At Waukesha State Bank, we empower members of our community to construct their dream home with the help and support of local builders — because when a home is built by the community, we all thrive.

Waukesha State Bank Member FDIC EQUAL HOUSING LENDER

MIDWEST PLUMBING

Providing quality workmanship to both contractors and homeowners in the Greater Milwaukee and Lake Country areas for over 20 years. We offer free quotes on your plumbing or heating project.

Residential Construction Offers High Paying Career Paths

Careers in residential construction are rewarding professionally and financially. Skilled trades such as carpentry or plumbing do not require a four-year degree. In addition, many skills tradespeople do not have to wait to complete training to start earning income. Apprenticeship opportunities in the skilled trades allow students can earn while they learn. Once training is complete, skilled trades professionals have strong earning potential.

According to the latest Bureau of Labor Statistics (BLS) and a National Association of Home Builders (NAHB) analysis, half of the payroll workers in construction earn more than \$54,540 and the top 25% make at least \$77,030. The BLS publishes wages for more than 400 occupations in construction.

Here is a closer look at the median salaries among the highest-paid wages in construction based on the most recent data available (2022).

Plumbers \$60,070

Electricians \$59,300

Brickmason \$59,130

Carpenters \$52,400

First-Line Supervisors \$74,330

The MBA has partnered with the Home Building Trades Foundation and Women In Construction In Wisconsin with scholarships for students in the trades. Visit MBAbuilds.org or homebuildingtradesfoundation.org for more information on skilled trade training programs, apprenticeships, and career opportunities.

SAMSUNG

Express Yourself In Every Space

Since 1930, builders, remodelers, designers and their customers have turned to Grand Appliance for expert advice, professional service and the latest appliances from top brands like Samsung.

Today, Grand Appliance is Milwaukee's premier independent appliance dealer with 7 area showrooms featuring an unbeatable selection of appliances and a friendly, knowledgeable sales team to help you every step of the way.

Best of all, Grand's massive central warehouse is close by and filled with 1000's of appliances ready to be delivered just days after ordering.

Visit grandappliance.com, text 262.205.6336 or visit the store nearest you to learn more.

Top 10 Interior Design "Do's" and "Dont's"

BY NATIONAL ASSOCIATION OF HOME BUILDERS

Are you satisfied with your living space, but you think it could be better? You're not alone. A well-designed space is key to turning your house into your home. You don't need a dramatic overhaul to your décor to improve its comfort and appeal. And the best spaces should always reflect your own personal style and touch. The following design tips can help turn your space from drab to dreamy.

Interior Design Do's:

1. **Plan and prioritize:** Start by creating a clear plan for your space, considering functionality, aesthetics, and budget. Identify the most important elements you want to focus on and allocate resources accordingly.
2. **Create a cohesive color scheme:** Choose a harmonious color palette that is complementary and sets the mood you want for the space. Stick to a few key colors to avoid a cluttered look.
3. **Incorporate natural elements:** Bringing nature indoors can add warmth and tranquility. Consider using natural materials like wood, stone, or plants to create a connection with the outdoors.
4. **Optimize lighting:** Use a combination of natural and artificial lighting to enhance the ambiance and functionality of the space. Incorporate task lighting, ambient lighting, and accent lighting for various purposes.
5. **Invest in quality furniture:** Good-quality furniture not only looks better but also lasts longer. Focus on comfort and durability when choosing pieces for your home.

Interior Design Dont's:

1. **Overcrowd the space:** Avoid cluttering your rooms with too many unnecessary items. Leave enough breathing space to allow the design elements to shine.
2. **Follow trends blindly:** While it's essential to stay updated with design trends, don't feel obligated to incorporate them all. Choose elements that resonate with your style and preferences.
3. **Neglect functionality:** No matter how beautiful a design is, it should also be practical and functional. Ensure that the layout and furniture arrangement facilitate easy movement and usage.
4. **Hang artwork incorrectly:** Artwork should be hung at eye level and should complement the furniture and the overall design theme.
5. **Rely solely on overhead lighting:** Overhead lighting can create harsh shadows and a one-dimensional feel. Mix various lighting sources to create a warm and inviting atmosphere.

When it comes to interior design, what matters most is that you create spaces that reflect your personality and make you feel comfortable and happy. These do's and dont's can serve as general guidelines, but don't be afraid to bend the rules if it leads to a space that truly resonates with you.

For more information on how to design or construct your home, visit MBAbuilds.org.
