

LEADERSHIP & MANAGEMENT WORKSHOP SERIES

Overview

Now is the time to grow into the next level of your success whether you are a new leader, a company executive or anyone in between. This transformative six-part workshop series focuses on 6 key areas of becoming a strong leader and manager. Gain the competitive edge by gaining mastery of the nuances of leadership versus management, discovering effective strategies, and learning to lead your peers, direct reports and even supervisors as we look at what it means to lead up and down the chain of command. Join us on this empowering journey, where you'll acquire the skills to navigate change, inspire the various generations, and foster a culture of accountability, setting yourself apart as a true leader in the field.
