BUILDERS GIVING BACK!

LETS WORK OUR COMMUNITIES

- Please help us spread the word about our services for charitable construction projects.
- Information on how to apply can be found at <http://www.hbcf.org/request-project-assistance.html>

Turn Key Project Grants

The goal of this basic program is to make it easier for nonprofits to complete small projects – usually with one trade - by offering cash grants to help get them done quickly.

For example - our first Turn Key project grant was provided to a nonprofit needing a simple flooring replacement in two of its apartments for formerly homeless women.

visit www.hbcf.org for more information

Classic Renovation Projects

Our standard mid-level projects are more comprehensive than Turn Key. For a classic project, we typically engage a builder and subcontractors to secure in-kind discounts of labor and materials. Two examples of classic projects include an accessible kitchen renovation at a group home and a complete HVAC system overhaul for energy-efficiency - all completed at a discounted project cost.

Marquee Projects

Our top level marquee projects have more visibility, a longer timeframe, and are much more complex. Often there is much predevelopment work and multiple stakeholders.

For large-scale projects, we work to leverage every dollar and resource, utilizing a project manager to help coordinate our outreach efforts as well as manage and supervise the construction process.

BUILDERS GIVING BACK!

HOME BUILDERS CARE FOUNDATION

Home Builders Care Foundation has **Community Investment TAX CREDITS**

Through the Department of Housing and Community Development's 2026 CITC program
a gift of \$500 or more to HBCF qualifies you for a 50% tax credit
from the State of Maryland in addition to a federal charitable tax deduction.
