GIFT CARD DRIVE

Benefiting people and families moving from local shelters into permanent housing

HOME BUILDERS CARE FOUNDATION

OFF THE STREETS

From January-October 2026, 72 families with children moved from local emergency shelters into furnished permanent housing with OTS assistance. Each of these families received about $100 in Home Builders Care Foundation-donated gift cards to help with additional household essentials and gifts for the children.

"Witnessing the joy on the children's faces and the gratitude of the parents for their children is something very special. We are helping give them a chance in life by helping provide them a home."
