Nominations for the Borchardt-Glysson Water Treatment Innovation Prize are due on Jan. 23, 2026.

Nomination guidelines at
<https://tinyurl.com/yc6xkujd>

The Borchardt-Glysson Water Treatment Innovation Prize is an honor consisting of a \$10,000 cash award for a senior or mid-career professional whose accomplishments have been nationally and internationally recognized. The Prize will be presented at the Borchardt Conference and the recipient will deliver the Borchardt-Glysson Water Treatment Innovation Lecture.

Abstracts for oral and poster presentations for the Borchardt Conference are due on Jan. 23, 2026.

Abstract submission guidelines at
<https://tinyurl.com/24p4wfzk>

Every three years, the Borchardt Conference brings together a diverse group of engineers, scientists, practitioners and students to present and discuss the latest issues and advances in water and wastewater science and engineering.

Keynote speakers:

Dr. **Megan Plumlee**, Research Director, Orange County Water District

Dr. **Belinda Sturm**, Ross McKinney Professor, Dept of Civil, Environmental & Architectural Engineering, University of Kansas

Dr. **David Sedlak**, Plato Malozemoff Distinguished Professor, Dept of Civil & Environmental Engineering, University of California, Berkeley
