Build Expertise and Relationships in the Water Sector

Reach the Right Audience to Promote Your Products and Technologies

AWWA Service Provider Membership provides you with opportunities to build business relationships, develop qualified staff and demonstrate your commitment to safe, clean water.

- Stay informed on the latest water-sector trends and information
- Connect with decision makers
- Improve your organization's performance with AWWA Standards
- Advance your staff's technical expertise

Join AWWA

Service Provider Membership is for:

- Consulting and Professional Service Firms
- Manufacturers
- Distributors
- Construction Firms
- Contract Operations Firms
- Other Service Providers

Connect With Decision Makers

Target the people you need to reach most: decision makers. Join a network of water professionals to meet new clients and strengthen your relationships with current customers. AWWA hosts many networking opportunities that offer face-to-face time with industry leaders.

Expand your company brand recognition at a conference or tradeshow. Service Providers receive preferred pricing on:

- Exhibiting
- Sponsorships

Discounts on booth space and sponsorships at AWWA events may cover the cost of membership alone!

Boost your brand with the AWWA Member Logo. Service Provider Members in good standing may use the logo to demonstrate their ongoing commitment to the water industry with AWWA Membership. You will also receive 10 free listings in the *AWWA Sourcebook*, the official resource guide to water industry products and services.

Stay Informed

Water professionals must increasingly manage water in all its stages. Access the latest news and information about important topics like asset management, lead, and water loss at awwa.org:

- State of the Water Industry report
- Updates on regulatory developments
- Industry whitepapers
- In-depth articles

In addition, access resources covering 70+ topics. To see the breath and depth of resources available visit awwa.org/resources-tools.

Exhibiting at ACE

AWWA's Annual Conference & Exposition (ACE) is the only water conference where representatives from every segment of the water industry come together. We invite you to join us and more than 12,000 global water professionals as we help shape the future of safe water. Make sure your company's products and services are in front of the people who count!

- Dedicated Exhibit Hall hours for face-to-face contact with key water industry prospects
- Three complimentary exhibit booth staff registrations per 10' x 10' booth reserved, including access to professional sessions and networking events
- Access to attendee mailing lists for one free pre-show and post-show mailing
- Free listings in attendee printed materials, the interactive floor plan and the ACE Mobile App
- Exhibit Services Team to help you and your company have a positive conference experience

ACE24 booths are only \$3,825 per 10'x10' for Service Provider members. That's a 30% savings compared to nonmember prices!

To learn more about exhibiting at ACE, visit awwa.org/ACE.

Access AWWA Standards

Get access to a full library of AWWA Standards and a subscription to newly published updates as a benefit of your membership through envoi—your resource for water knowledge. envoi is a comprehensive library for online technical content, including standards, technical reports, conference proceedings, historic standards, and manuals of practice (available to add to your organization's envoi access). Access standards on envoi at www.awwa.org/envoi and get support by emailing service@awwa.org.

- Up to 1,300 standards
- 190+ ANSI-accredited standards
- Nearly 6,000 conference proceedings
- Nearly 50 technical reports
- 60+ manuals of practice (available to add to your organization's envoi access)

Membership in AWWA has been a great experience. I have been able to learn a lot more about the water and wastewater field which helps the communities I work in, while at the same time networking with other engineers, operators and product suppliers from all over the USA and Canada."

About AWWA

Established in 1881, the American Water Works Association is the largest nonprofit, scientific and educational association dedicated to managing and treating water, the world's most important resource. Through membership, AWWA creates products, services and information that help utilities with day-to-day operations, inform the public, improve public health, protect the environment, strengthen the economy and enhance our quality of life.

AWWA continues its legacy of providing standards and leadership to the water industry, and brings us together as individual professionals with common objectives. The industry is made up of wonderful people who are committed to providing safe water to their communities and nations. We need you to join with us. Bring your stories and strengths to this global Association of experts, as you build your relationships with other great people in AWWA."
